Summer, 2008

Dear Friends of Viking Football, New and Past Members:

Long Beach City College, the only college football game in town, invites you to be a part of the upcoming 2008 season. LBCC football looks to continue its tradition of excellence this fall.

This 2008 season special in many ways. Mike Reisbig will begin his first season as head coach under the Vikings after serving as an assistant for 16 years. LBCC will also be competing in the newly formed Southern California Football Association and will be a part of the highly competitive National Division Southern Conference. This year, LBCC celebrates the 80th anniversary of its first football team, the 1928 Vikings.

With your support, the 2008 season will be successful and memorable. We invite you to join the Viking Huddle Club. The membership fee is \$30 for couples or individuals. Members receive two passes to all LBCC home football games. The Viking Huddle Club's goals are to support Long Beach City College and its football program through encouraging attendance at games, fundraising, and uniting the community of Long Beach.

The Huddle Club will meet six times during the season at Tracy's (5511 E. Spring St., Long Beach): September 4, 11, 25, October 9, 30, and November 6. Meetings are scheduled to begin at 6 p.m.

Thank you for your support. Let's all get behind the Vikings this year!

Larry Reisbig
LBCC Men's Athletic Director
